

The Cool Music School is now accepting students for
March Break Creative Music Camp (Ages 5 - 9)
March 12/13 & 14/15 2012

Overview:

Creative Music Camp is a 2-day camp designed to introduce your child to a wide variety of musical experiences. Through use of fun games, and interactive exercises, kids get hands on exposure to a selection of musical instruments and learn some basic techniques.

Our instructors are professional musicians who have a unique approach to music to make it a passion for students, not just work. We purposely keep our registration numbers lower to ensure the students get maximum opportunity to practice their new skills.

REGISTRATION: \$55 per child (taxes included)

CAMP TIMES: 9:30 am - 11:30 am.

Select from two camps:

Mon-Tues (Mar 12 & 13) -or-
Wed -Thur (Mar 14 & 15)

This 3 day camp will have your kids having so much learning music diversity. Here's some of the creative modules we include in addition to standard beginner music theory:

- **Vocal Instruction:** Music rounds and fun songs along with mini-solos to help your would-be idol develop confidence in performing.
- **Global Music Education:** This fun module introduces students to music from all over the world as we play music traveller.
- **Instrument Circus:** Imagine being part of a camp where you actually get to try to play many different instruments.
- **Songwriting:** Kids are the most natural song writers because they are instinctively creative and fun at heart. We take this trait, a game, and encourage them to create songs that incorporates everything they've learned in our camp about music
